- In case of tie of wins and points between 2 competitors, the winner is the one who had won the fight between both.
- In case of tie of wins between 3 competitors, the result will be according to the highest number of points.
- In case of tie of points, the competitors will have to play a “closing” pool. If there would be at the end of the closing pool steal equality, the pool would have been done again, with direct application of the golden score rule. The fights will stop as soon as a result will be registered. The table will show the times of fight, in prevision of the eventual application of the following paragraph.
- In case of a new equality of victories and points, and if impossibility to apply the rule of the fight which opposed them, the winner will be declared with the times of the fight (winner is the one with the shorter time).
- In case of withdrawal of a competitor, all the results of his former fights will be cancelled. For example, a pool of 5 becomes a pool of 4.

The referees are registered by the Unions. Each Union must provide one referee per participating team. Unions who do not apply this rule must pay the organiser Union an amount specified in CSIT regulations to cover substitute referees' fees.

The referees are not allowed to assume another position within their own delegation.

The Technical Commission decides of the refereeing conditions according to the discipline needs based on the **IJF** regulations.

Referees must be official referees of their own Union on national or international level. If necessary, a Union can contact referees from its country National Federation or from the **IJF**.

A minimum of 6 referees on each tatami is necessary for a good progress of the championship.

The head of the referees will be appointed by the chairman/ secretary of the TC, in consultation with the local responsible.

The referees and the judges will control the judogis (dimensions must be in accordance with **IJF** Rules) at the entrance of the category on the tatami.
